Objective

The Realtors® Association of St. Lucie (RASL) established the Foundation to address the ongoing housing affordability issues in St. Lucie County.

Distribution

Grant recipients represent a broad sampling of St. Lucie County’s population. Previous recipients of the Foundation’s grants were employed in education, law enforcement, and medical services. New guidelines established by HUD expand the Foundation’s ability to service lower wage earners who increasingly need housing assistance.

Requisites

Grant guidelines are simplified to streamline the efficiency of the Foundation’s objectives. **Applicants must 1) be employed, 2) have a home under contract for purchase in St. Lucie County, and 3) have income levels within the guidelines required by Housing and Urban Development (HUD).** It is important to note that there is absolutely no obligation for grant recipients to work with Realtors® or any member of our association for homes under contract.

Equal Opportunity

Attainable Housing Grants are awarded without regard to race or color, national origin, religion, sex, familial status, or handicap.

The Foundation is often requested to provide age, income, ethnicity and other information in order to receive grant funds. By submitting this application, the applicant authorizes the Foundation to provide any information set forth in the application for purposes of obtaining grant funds or for any governmental agency requesting that information, both now and in the future.
